

Leket Israel Tzedakah Project

North Shore Congregation Israel Goodman Center for Jewish Education invites you to participate in an exciting new Partners in Mitzvah Tzedakah project: Leket Israel.

We are asking every student to donate \$5 so that we can reach our goal of \$3000 by the end of the school year.

WHAT IS LEKET ISRAEL?

- Leket Israel was founded in 2003 to rescue excess nutritious food that would have otherwise been destroyed and redirect it to people in need.
- Leket has become Israel's umbrella organization for donations of surplus food.
- Leket provides more than 110 tons of food per week to over 230 soup kitchens, homeless shelters, senior citizen centers and other social service organizations around Israel.

WHAT SHOULD YOU DO?

Take the envelope, fill it up and bring it back to your classroom teacher any time before May 16th. If every child brings an envelope containing at least \$5 we can easily meet our goal. If you would rather write a check, make it payable to the North Shore Congregation Israel marked "for Leket."

Thank you for being a Partner in Mitzvah and helping us meeting our goal.
